

WHO WILL BENEFIT?

The Bucks County Special Needs Golf Tournament will celebrate its 15th anniversary as a local fund-raiser. Last year over 120 golfers competed and 75 sponsors donated to this worthy cause raising almost \$350,000 in the past thirteen years.

The proceeds from this tournament will be donated to several different charities in the Bucks County area, all specializing in the needs of mentally and physically handicapped children.

This years charities are: The BCSN Summer Kids Grant Program, Bucks County Admirals Special Needs Ice Hockey Team and Miracle League.

BUCKS COUNTY ADMIRALS ICE HOCKEY

The Bucks County Admirals will set sail for their second season this fall. This team will offer children with special needs the opportunity to play ice hockey. The Admirals have joined up with USA Hockey to provide this exciting opportunity to children in the Bucks/Montgomery County area.

The team will practice and play their games at Face-Off Circle in Warminster, PA. The team will be practicing for their ultimate goal which will be to attend the USA Hockey Disabled Festival for Special Hockey Teams in Landover, MD this Spring. For more information check out the website at www.bcsn1.org or call Brian Damiani at 215-257-0905.

SUMMER KIDS PROGRAM

Bucks County Special Needs, the non-profit organization that runs this tournament has chosen to focus its efforts to provide special needs children from financially troubled families an opportunity to attend summer camp.

Children with special needs often require a structured summer program, but in some cases these programs are not funded by their schools or the state and their families are for some reason not able to provide the necessary funds for this child to attend. This program provides this opportunity through grants issued in the child's name to an approved camp specializing in special needs children. Applications can be obtained on-line at www.bcsn1.org.

MIRACLE LEAGUE OF BUCKS COUNTY

Miracle League of Bucks County provides an opportunity for children with special needs to play the game of baseball. This organization is in the process of raising funds to build a baseball field in Northampton Township built especially for children with physical and developmental handicaps. It will provide a flat rubberized surface that looks just like a baseball field and provide access for wheelchairs and walkers.
