

WHO WILL BENEFIT?

The Bucks County Special Needs Golf Tournament will celebrate its 22nd anniversary as a local fund-raiser. Last year over 100 golfers competed and 45 sponsors donated to this worthy cause raising almost \$650,000 in the past twenty one years.

The proceeds from this tournament will be donated to several different charities in the Bucks County area, all specializing in the needs of mentally and physically handicapped children.

This years charities are: Bucks County Admirals Special Needs Ice Hockey Team, Miracle League and our Summer Camp Grant Program.

BUCKS COUNTY ADMIRALS ICE HOCKEY

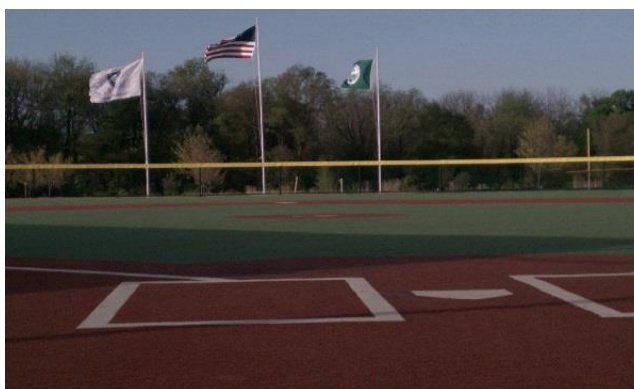

The Bucks County Admirals will set sail for their ninth season this fall. This team will offer children with special needs the opportunity to play ice hockey. The Admirals have joined up with USA Hockey to provide this exciting opportunity to children in the Bucks/Montgomery County area.

The team will practice and play their games at Bucks County Ice Center in Warminster, PA. The team will be practicing for their ultimate goal which will be to attend the Special Hockey International Hockey Tournament for Special Hockey Teams in Ottawa, ONT this Spring. For more information check out the website at www.bcsn1.org or call Brian Damiani at 267-679-8831.

MIRACLE LEAGUE OF BUCKS COUNTY

Miracle League of Bucks County provides an opportunity for children with special needs to play the game of baseball. This organization opened their baseball field in Northampton Township in 2012 built especially for children with physical and developmental handicaps. It provides a flat rubberized surface that looks just like a baseball field and provides access for wheelchairs and walkers.
